ORDER:

During the Review Meeting held in the Chambers of Chief Minister in connection with Railway Projects and Hyderabad MMTS Project among other issues on 24.10.2009, it was stated that the project cost of Hyderabad MMTS – Phase II was originally estimated at Rs.350 Crore in 2005 and escalated to Rs.1028 Crore due to non – approval of the Phase II of the project by the Ministry of Railways and that the Memorandum of Understanding which was already signed by the State Government with Railways for formation of a Special Purpose Vehicle for the Hyderabad MMTS Project should be vigorously pursued and opined that there was a need to review the estimated cost as the matter was already delayed and urgent action for its approval has to be taken immediately. Therefore, it has been suggested to constitute a Sub-Committee to address the above and related issues and to submit a comprehensive proposal.
